

Alaska Psychiatric Institute Recovery Center & The Alaska Native Tribal Health Consortium
present

Dr. Larry Maile, PhD

How to Get Into API... or Not

8:30-9:30 a.m., **April 14th & 28th**

Maile's talk is part of Frontline Behavioral Health, a videoconference series on the 2nd & 4th Tuesdays of each month for primary care providers including physicians, mid-level practitioners, behavioral health clinicians, CHA/Ps and BHAs and CHAs.

The series includes expert presentations, roundtable discussions, and interactive case reviews.

CMEs available.

- **Call in** toll free to 1-888-733-9423, or 375-9423 in Anchorage, then enter 3945#
- **Beam in** to video IP address 10.242.254.3, meeting room 3945

Larry Maile has a Ph.D. in psychology and a master's degree in counseling psychology. He has been a licensed clinical psychologist since 1992. He specializes in forensic psychology and has been employed by the State of Alaska for 14+ years. He is currently the clinical director of API and the director of the Forensic Evaluation Unit. He supervises the hospital psychology, social work, and rehabilitation services departments.

For more information, visit <http://hss.state.ak.us/dbh/API>

For VTC assistance, contact Tom Elmore at 729-3910 or telmore@afhcan.org at least five working days prior to the training.
