

## AFHCAN Telehealth Users

The AFHCAN Telehealth Users Group (TUG) Meeting  
June 8th at 2:30 PM

Participants will have an opportunity to discuss telemedicine applications with their peers around Alaska and the world. Learn how other organizations have adopted telemedicine practices into their workflow and how they met the challenges faced by new programs and organizational changes.

To participate use your internet browser to browse to our Adobe Connect Pro Meeting Room at:
